

Ocean of Pearls-Synopsis

Amrit Singh is of two worlds, but belongs to neither. A turban-wearing Sikh, he has lived his life in North America out of sorts and out of place, cast adrift between East and West. Hoping for a new start, he embarks on an ambitious pursuit of success, but soon learns that he must first define his own singular identity before he achieves peace.

The trailer can be viewed by going to their official website at www.oceanofpearls.com.
