

BILINGUAL PROVIDERS

ARE YOU ACA SECTION 1557 READY?

LANGUAGE ASSESSMENTS

Assisting your organization to prepare for the Affordable Care Act (ACA) Section 1557 Language Access Regulations by providing an oral Online Language Assessment for Bilingual providers on language proficiency and their knowledge in **healthcare and/or mental health** terminology. Piloted at Steward Health Care and developed by a highly skilled multidisciplinary team of individuals, including certified educators, software developers, interpreters and providers.

Assesses the ability to communicate accurately in the foreign language by measuring the following areas:

- Ability to express levels of speech (register, pronunciation, grammar, flow/pace)
- Message comprehension (listen, analyze and answer questions based on oral message)
- Knowledge in terminology (healthcare and/or mental health)

LANGUAGES

- Cape Verdean Creole
- French
- Haitian Creole
- Portuguese (European & Brazilian)
- Spanish
- Russian
- Vietnamese
- Additional Languages Upon Request
